GOSPEL FOLIO PRESS

The Ministry of Choice Book Club

Formerly called the *Book Builders' Colportage*, the *Choice Book Club* is operated by GOSPEL FOLIO PRESS. Several years ago, GFP decided to offer a program for individual Christians to build a solid library for personal study and encouragement. We also wanted to make additional copies available for sharing with fellow believers at a reduced cost. Club members have told us how the extra books were used: small group Bible studies, building their church library, and personal encouragement of young believers.

Because of the *Choice Book Club's* proven ministry, we are offering new memberships. Now you can have the privilege of receiving quality books monthly to enjoy and to encourage others in their Christian life. For a small investment each month you can reap eternal dividends.

What are the *benefits* of being a member ?

Those who love to read often love to share what they read. But there are limitations. Few will make the effort to rip out a chapter of their favorite book to share. If you do lend the entire book, you can only lend it to one person at a time. Soon it becomes very worn, if it is returned at all. There must be a solution, but what is it?

Do you find it frustrating that your church's library only has one copy of a book, and it is always checked out? Is your church's library nearly non-existent, or have you read every book in it? Ever think of finding an inexpensive way of freshening up the selection?

If any of these situations describe you or your local church, GOSPEL FOLIO PRESS has a solution. We call it the *Choice Book Club*.
